Brand New Book ***** Print on Demand *****.Almost every kid believes there are things lurking under their beds or waiting in the shadows for the opportunity to jump out and attack if they happen to play outside too far into the night. But, as we grow up, we mature and realize there really aren't things that go bump in the night. Or is there. In this eclectic collection of eleven short stories by some of today's veterans and up-and-comers in the horror genre; you will uncover things that may revert your mind back to when you were a little kid. You'll discover: hairy beasts that dwell in caves and wander the wilderness in search of prey, things that slither and lurk in the water, creatures from Hell, people that think they are a monster or an animal, dwarf-beasts, vicious winged creatures and a macabre experiment on an unfortunate soul. But, you can handle all that, right? If you think so, forget about calling for mommy or daddy to come save you if something bad happens. . cause you've been warned. With stories by: R. Scott McCoy, Timothy Moore, Jason Sizemore, Thomas A. Erb, Gord Rollo, Robert Ford, Dean Harrison, Michael West, Adam P. Lewis, Brady Allen, and John Everson.
