### ***Reviews***

*Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).*

Harper, United States, 2013. Paperback. Book Condition: New. 185 x 107 mm. Language: English . Brand New Book. Dick Wolf makes his literary debut with this driving thriller reminiscent of the classic The Day of the Jackal, an extraordinary tale filled with the ingenious twists and high-wire suspense we have come to expect from this master storyteller. Days before the July Fourth holiday and the dedication of One World Trade Center at Ground Zero, an incident aboard a commercial jet reminds everyone involved that vigilance saves lives. But New York Police Detective Jeremy Fisk from the department's Intelligence Division, a well-funded anti-terror unit modeled upon the CIA suspects that the event is a warning sign that another, potentially more extraordinary scheme has been set in motion. So when a passenger from the same plane disappears into the crowds of Manhattan, it's up to Fisk and his partner, Krina Gersten, to find him before the celebrations begin . . . and time is running out.
