Everyday stress takes away that desire to accomplish great things. Your day involves the people who annoy you at work, and the pressures of being a responsible adult. This stress has many sleepwalking through life. Keith Ballard is a Christian author, inspirational teacher, entrepreneur, and professor of business administration and psychology. Life threw challenges at him that could not be solved by his collegiate and professional success. Like many people out there, Keith searched for spiritual and practical answers to the following questions: How do we obtain enjoyment out of life and work How do we live out those big dreams and goals that keep tugging at us How does one find a sense of mental, physical, and emotional freedom How do we become more secure and confident in ourselves You Made Your Bed, Now WAKE UP In It is a book that answers these questions and many more. This book is for anyone in search of answers. Those with no spiritual belief system and those with a spiritual belief system who read this book will learn: How to be more effective and successful in your everyday goals. How to break free from past mental and spiritual barriers. How to rely on God as your source and supply for every need. How to use spiritual principles that can be applied to everyday life. How to obtain quality relationships, true peace, and happiness. How to identify your gifts, talents, and purpose in life. How to take authority over lifes challenges. If life does not seem to be giving you what you want, then this book is a must read for you....
