O. , Supt. of Docs. , Congressional Sales Office, distributor, 2000. OCLC Number: (OCoLC)45287693 Subject: Social security -- Law and legislation -- United States. Excerpt: . . . 11 and the cycle went round and round again. With the progress that we have made in recent years with the 1993 and the 1997 budget agreements, we have seen that vicious cycle converted into a vir-tuous circle of greater economic growth, lower interest rates, larger surpluses, still lower interest rates, greater economic growth, more revenue collections, larger surpluses and so forth. It is that change in our Nations fiscal position and the under-lying doubling in our level of national savings that has contributed greatly to the strength of our economy over the last 6 years. It is that change which has brought the prospect not just of a balanced budget but of the elimination of the national debt over a 15-year period into view, that leaves us in a position to tackle the challenge of an aging society that is far stronger than almost any observer expected a few years ago. And it is that fiscal strength that forms the basis for the Presidents approach to Social Security. Common sense is that you use a moment of opportunity to pre-pare for a future possible problem. Economic logic is that you use the space created by the removal of one liability, the national debt, to make room to meet another liability: the obligation we have to a generation of retiring seniors. And political logic points towards establishing a set of mechanisms that ensure that in the face of what will be very real temptations,...
