

The Practical Explanation of Cancer in the Female Breast: With the Method of Cure and Cases of Illustration; With an Appendix (Classic Reprint) (Paperback)

By John Rodman

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Practical Explanation of Cancer in the Female Breast: With the Method of Cure and Cases of Illustration; With an Appendix The first thing that led me in early practice to search after new information on the subject of this Treatise, was a conviction that nothing but some radical mistake, connected with the history, or with the management of the disease, could possibly occasion the contradictory opinions which were given concerning it by the most respectable of the profession. But for several years the search was unprofitable, because, like many others, I had imbibed the notion of some cancerous diathesis existing in the patients constitution, which, by being either innate or accidental, could influence the system in a mysterious manner. When that notion was weakened by a variety of occurrences, I began to regard the subject in another point of view, and to consider the cause of Cancer as only of a local nature.
