Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. Historically, almanacs served a variety of purposes from the more practical, such as planting and harvesting crops and plotting nautical routes, to predicting the future through the movements of the stars. This collection provides a wide range of consecutive years of almanacs and calendars that depict a vast array of everyday life as it was several hundred years ago. The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: A new almanacke and prognostication for the yere of our sauour Christ. M. D.
