Brand New Book ***** Print on Demand *****.Time is running out for Khalil el Said, as his cancer treatments have become less and less effective. And so it is that his old friends Art West (and his new wife, Marissa) and Grace Levine plan something very special for Khalil, while there is still time-- the opening of an el Said wing of the Israeli Museum of Antiquities, which includes many of the items he bequeathed to the museum over many years. All of this might be quite enough, but as the Wests and others arrive in Jerusalem, a huge explosion blows the top off of the Dome of the Rock. How did it happen? Will there be war? And who is this person hiding in the shadows who seems to be the spitting image of the well-known dead villain el Tigre? Along the way new archaeological discoveries come to light, and Yelena, the adopted daughter of Grace and Manny, must decide if her future lies in Israel or not. The old friends discover they are at a crossroads in all their lives--- which avenues will they take as the future beckons? Ben and Ann Witherington have given us another Art West adventure, which, like the previous novels, blends imagination with the realities of archaeology and the Holy Land. In reading this book you will not only be entertained, quickly turning the pages to find out what happens next, you will also be acquiring an excellent education relating to biblical scholarship, Christian origins, Jewish customs, life in Israel in the time of Jesus, history, and archaeology. In short, the Witheringtons have made entertainment educational and education entertaining! --Craig A. Evans, John Bisagno Distinguished Professor of...
