Brand New Book ***** Print on Demand *****.A Billionaire Romance Story For Gerald Stevenson, the last thing he wanted was to expose his secret. He was a bear shifter, and he tried his best to hide it. He knew that if anyone knew of his secret, he would be in trouble. Of course, he was already thinking of exposing it beforehand. Nancy was his secretary, and a close friend of his. The two of them grew closer over the time they spent together, and it was obvious he regarded her as more than a mere coworker. But he didnt know how to tell her his feelings, and Nancy was already noticing the strange actions he was engaging in. Of course, when she finds out, things take a turn for the worse. Gerald is upset, but he doesnt want to just play this off as a little thing, nor does he want to ignore it. He wants to be accepted, and thats what he desires from Nancy of all people, not just because he works with her, but because of the bond they share. Will Gerald be accepted by her? Or will the difference be too much? Download this Book Today.
