

Enemy at the Gates: The Battle for Stalingrad

Filesize: 1.33 MB

Reviews

The ebook is straightforward in study better to fully grasp. It is actually loaded with knowledge and wisdom I am just delighted to tell you that here is the best pdf i have read through during my very own lifestyle and may be he greatest ebook for at any time.

(Dr. Karelle Glover)

ENEMY AT THE GATES: THE BATTLE FOR STALINGRAD

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. A classic work of World War II history that brings to vivid, dramatic life one of the bloodiest battles ever fought and the beginning of the end for the Third Reich. On August 5, 1942, giant pillars of dust rose over the Russian steppe, marking the advance of the 6th Army, an elite German combat unit dispatched by Hitler to capture the industrial city of Stalingrad and press on to the oil fields of Azerbaijan. The Germans were supremely confident; in three years, they had not suffered a single defeat. The Luftwaffe had already bombed the city into ruins. German soldiers hoped to complete their mission and be home in time for Christmas. The siege of Stalingrad lasted five months, one week, and three days. Nearly two million men and women died, and the 6th Army was completely destroyed. Considered by many historians to be the turning point of World War II in Europe, the Soviet Army's victory foreshadowed Hitler's downfall and the rise of a communist superpower. Bestselling author William Craig spent five years researching this epic clash of military titans, traveling to three continents in order to review documents and interview hundreds of survivors. *Enemy at the Gates* is the enthralling result: the definitive account of one of the most important battles in world history. The book was the inspiration for the 2001 film of the same name, starring Joseph Fiennes and Jude Law.
