Brand New Book ***** Print on Demand *****.Do you want to quit your job and start a business so you can do something you are passionate about, make a difference and have a lot of fun in the process? How to Quit Working shows you how. It is a concise, actionable, step-by-step guide to starting a lifestyle business while you're still working your job and (most importantly) still getting your paycheck. You'll develop a business idea and find your market so you have customers knocking down your door before you even think about quitting your job. How's that for eliminating risk? These simple and flexible strategies fit into YOUR schedule and budget, so you can start your own business without getting overwhelmed -- even if you have a family and kids. You can start a business around your passion and expertise, so you can do meaningful work that makes a difference in the world and lets you leave your mark, while enjoying every second of it. How to Quit Working is a comprehensive system for starting a business, yet still exquisitely simple and easy to understand even if you don't have any background in business, technology, sales or marketing. You'll experience chapter after chapter of simple, time-tested practical techniques and innovative business building strategies that have helped millions of aspiring entrepreneurs overcome the marketing, business and mental barriers that once held them back. Each chapter contains inspiring success stories from people just like you who quit their job and started a successful lifestyle business. The author is straight-talking and has walked the walk, having successfully conquered the challenges faced by employees becoming entrepreneurs. He gives the facts in a simple...
