EARTH S CRY (PAPERBACK)

Wipf Stock Publishers, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Global warming, melting ice-caps, shrinking rainforests, depletion of fish populations, rising sea-levels, species extinctions - these realities are now known to us, the words are familiar yet deeply unsettling and profoundly unwelcome. The enormity and complexity of the issues often leave us confused, despairing or simply numb. For Christians, a strange dissociation often seems to exist between the ecological crisis and a heritage that includes a Creator God. This book turns to the prophetic tradition - a tradition generated in the dislocation of crises in the past. A response to the ecological crisis is nothing less than a call to a fresh and radical vocation - to eco-prophetic ministry. This impassioned work of ministry and theology awakens us to the voices of Earth s cry, and to our own cry as well, in this time of escalating ecological violence. Jan Morgan joins a prophetic tradition whose great healing gift is to enliven our ability act in response to the great wounds of our time. -Dr Deborah Bird Rose, FASSA Professor in the Centre for Research on Social Inclusion at Macquarie University, Sydney. With our world on a trajectory towards deep and sustained ecological breakdown, Jan Morgan s book is a prophetic offering in the full sense of that tradition:...
