When I was just nine years old, I began learning how to become rich by playing the game of Monopoly(r). If I d just been lectured to about money management, financial responsibility, and investing, I doubt I would have listened and I doubt I would have achieved financial freedom early in life. Instead, I might be stuck in the Rat Race working hard, deeply in debt, and worried about keeping my job or having enough money for my retirement. But because I enjoyed learning when I was young, I wanted to learn more. I was on the road to financial intelligence. Robert Kiyosaki, author of Rich Dad Poor Dad You re never too young to start! In Escape the Rat Race, you ll find out: How working to learn, not to earn paves the way to money-making opportunities! The basics of making money by creating assets! How to make money work hard for you, so that you don t have to work so hard for money!
