Reviews

This ebook is worth purchasing. It is written in straightforward words and not hard to understand. You will not feel monotony at any time of your respective time (that's what catalogs are for about in the event you ask me).

Darf Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Chewing gum, Mansour Bushnaf, Young Mukhtar is frozen in time, gazing at his beloved Fatma as she disappears into the streets of Tripoli, destined to a life of prostitution. Around these young lovers, Bushnaf weaves a compelling network of images: a litter- strewn park, a bewitching Italian statue and a fluttering red scarf. Through these images, imbued with social, historical and existential import, Bushnaf paints a dark portrait of a country in crisis and an individual, alone at the centre of conflicting ideologies, all attempting to explain his existence away. With its satirical and semi-journalistic style, Chewing Gum is an existential quest to understand how a society exists beneath a repressive dictatorship. The rhythmic act of chewing relentlessly continues as individuals, time and land turn to waste. In this debut novel, no one escapes the critical gaze of a writer who witnessed first-hand the brutality of Gaddafi's regime. At times downright funny and at times poignantly sad, Chewing Gum depicts the academics, politicians and businessmen of Libya who all claim a monopoly on the truth of the country but who all, inevitably, fail the individual.
