Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Excerpt: . parison, calculation, measurement, are out of the question, and this point the Turks have already passed. You can follow them no further. The way is blocked up by mountains of hideous facts, beyond which you cannot see and do not care to go. You feel that it is superfluous to continue measuring these mountains and deciding whether they be a few feet higher or lower, and you do not care to go seeking for molehills among them. You feel that it is time to turn back; that you have seen enough. But let me tell what we saw at Batak: --We had some difficulty in getting away from Pestera. The authorities were offended because Mr. Schuyler refused to take any Turkish official with him, and they ordered the inhabitants to tell us there were no horses, for we had here to leave our carriages and take to the saddle. But the people were so anxious we should go, that they furnished horses in spite of the prohibition, only bringing them first without saddles, by way of showing how reluctantly they did it. We asked them if they could not bring us some saddles also, and this they did with much alacrity, and some chuckling at the way in which the Mudir s orders were walked over. Finally we mounted and got off. We had been besieged all the morning by the same people who had blockaded us the night before, or who appeared...
