Redemption Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Maybe your grandchildren are living with you. Maybe they're thousands of miles away. Their parents may be spiritually rebellious or simply neglectful of the family's spiritual life, failing to make prayer and church attendance a regular part of their routine. But even if your grandchildren's parents have established a strong Christian home, busy schedules, jobs, parenting, and all the distractions of today's world conspire to distract or even destroy the family. How can you, as a grandparent, help? God gives grandparents a sacred trust-an opportunity to imprint another generation with the message of his faithfulness. You can stand in the gap by being a godly example for your grandchildren and by praying for them. Even grandparents who already pray regularly for their grandchildren will discover creative suggestions for making the practice even more meaningful. From cell phones to photo prayer journals, you'll find tools that work for you-and for your grandchildren. Author Lillian Ann Penner provides specific examples of prayers to help you get started, such as alphabet prayers, prayers based on special scriptures, and prayers for certain holidays. You may even widen the circle, praying for other children in your life, for children who have parents in the military, and for the adults who influence your grandchildren. Regardless of how far away your grandchildren are, praying for them can bridge the distance between you and leave them with an inheritance more precious than gold.
