### Reviews

*This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## SPACEHEADZ

Simon & Schuster. Other book format. Book Condition: new. BRAND NEW, Spaceheadz, Jon Scieszka, Shane Prigmore, Francesco Sedita, The perfect combination of the age old experience of holding and poring over a physical book with newest media technology that kids love! Michael K. just started fifth grade at a new school. As if that wasn't hard enough, the kids he seems to have made friends with apparently aren't kids at all. They are aliens. Real aliens who have invaded our planet in the form of school children and a hamster. They have a mission to complete: to convince 3,140,001 kids to BE SPHDZ. But with a hamster as their leader, "kids" who talk like walking advertisements, and Michael K as their first convert, will the SPHDZ be able to keep their cover and pull off their assignment?.
