Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This TRUE STORY reveals competitive strategy and insider knowledge of college football, college life and the grass roots evolution of politics that began in academia and now shapes the political aspects of our everyday life. An unfiltered look at players, coaches and student life in the world of College Football. This fast paced, biographical work contains layers of storyline with twists and turns that are poignant, and startling. Join three young men as they launch themselves onto the college football scene and refuse to be denied their impact both on and off the field while living on the edge and pushing the envelope for their colleagues on campus. Snippets of similar college scandals occasionally get revealed in the media, but Universities spend a great deal of money on their image to cover up the facts while the media fails to connect the dots in fear of persecution. Overlook perception and seek reality with this novel. Find out what it is really like to rise to the level of playing college football. If you want the real world of football, this is it, otherwise, listen to the news. HEAVY IS THE HEAD THAT WEARS THE CROWN as these extraordinary athletes have decisions to make that are crowded by circumstances that continually provide opportunities for them to fail in rising to the level of achievement that they know they have earned. These mistakenly overlooked college football players take over a struggling football team with their drive and tenacity, all in an effort to play one more football season. Understanding their romantic interests as they struggle not to be dragged under provides a highly insightful gaze into their world....
