L27 2007t OCLC Number: (OCoLC)315888510 Subject: School improvement programs -- United States -- States. Excerpt: . . . 11 students to pass Algebra courses and even exams before they can be promoted to 10th grade. These students have the ability to do this, but they need much more intensive and effective instruction and adult support than our high-poverty, comprehensive high schools, with current levels of resources, typically provided. Schools which beat these odds and have high percentages of students who succeed in challenging courses provide multiple layers of support. Strong instructional programs are matched with a schedule that allowed for double-dosing in these subjects, and extra help from caring teachers within a personalized interdisciplinary team structure. But this is still not enough for all students to succeed, some require summer school and a few need further focused instruction in the fall to earn promotion to the next grade. Pulling off this level of intensive support requires not only committed adults who refuse to give up on their students, but additional time,...
